In Residence

June 4 – August 4 @ USF Contemporary Art Museum

In Residence brings together the work of four Miami-based artists—**Felecia Chizuko Carlisle**, **Naomi Fisher**, **Christy Gast**, and **Samantha Salzinger**—who focus their artistic inquiries on the contested space between the natural and built environment. These artists fold the world around them into complex examinations of the history of art and an evolving understanding of landscape. *In Residence* is curated by Jane Simon, USFCAM Curator, and organized by the USF Contemporary Art Museum, Tampa.

Friday, June 8, PANEL DISCUSSION + RECEPTION

6–7pm: Discussion with *In Residence* artists, moderated by Jane Simon @ USF Barnes Music Recital Hall / MUS

7–9pm: Reception @ USF Contemporary Art Museum / CAM

The Institute for Research in Art is recognized by the State of Florida as a major cultural institution and receives funding through the State of Florida, Department of State, Division of Cultural Affairs, the Florida Council on Arts and Culture, and the National Endowment for the Arts. The USF Contemporary Art Museum is accredited by the American Association of Museums.
